

## Llanelly

## Open Countryside

Sustainability Index Score: Unknown

**Settlement Overview:** Llanelly sits on the opposite side of the Clydach Gorge to Llanelly Hill, lying equal distance between the A4077 Crickhowell Road and the A465 Heads of the Valleys Road. The small village centres around the church, and has approximately 7 or 8 dwellings and a farm to the north. It's well connected to Gilwern to the east.

### Description of Current Housing Stock

There is little development within Llanelly and what exists (mainly 18/19th century) is concentrated around the church at the centre of the village. The settlement is otherwise surrounded by exposed open countryside.

### Key Constraints

None on map.

### Summary Assessments:

Other than possible infill plots Llanelly has no capacity to grow. No development boundary has been designated.
