## **OFFICER'S REPORT**

This application was considered against the adopted policies of the Brecon Beacons National Park Authority Local Development Plan (2013). In making a recommendation on this application, I have taken into consideration the relevant policies of the Development Plan and the comments made by the consultees and other interested parties and the following national guidance:

- Planning Policy Wales (PPW, 2014)
- Technical Advice Note 12 Design (2014)

### **Local Context:**

The area is characterised by a cul de sac of similarly finished semi-detached dwellings that have been altered over time. The majority of properties are finished with a rendered walls, tiled roof and upvc windows and doors.

### **Design Considerations:**

The application seeks full planning permission for the erection of a two storey side extension and a single storey rear extension.

The proposed two storey extension would be in keeping with the character of the host dwelling in terms of design and finishes and, at 4.3 metres in width, 7.5 metres in depth, with a maximum height of 7.1 metres falling to 4.8 metres at the eaves, would be appropriate in terms of its relative scale.

The proposed single storey rear extension would be in keeping with the character and appearance of the host dwelling in terms of design and finishes, and at 2.8 metres in width, 2.1 metres depth, with a maximum height of 3.7 metres falling to 2.6 metres at the eaves, would be appropriate in terms of its relative scale.

### **Neighbour Amenity:**

There are no neighbour amenity concerns due to the orientation and siting of the development.

### **Highway Safety:**

Sufficient parking exists within the site to accommodate the proposed development.

### **Protected Species:**

There are no concerns in terms of the impact of the proposed development upon protected species.

### **Conclusion**

It is recommended that this application be approved subject to the following conditions:

### **RECOMMENDATION: Permit**

#### **Conditions and/or Reasons:**

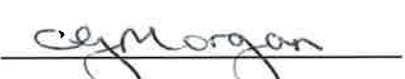

- I The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

- 2 The development shall be carried out in all respects strictly in accordance with the approved plans (drawing nos. NP1v1 and NP3v1), unless otherwise agreed in writing by the Local Planning Authority.

**Reasons:**

- 1 Required to be imposed by Section 91 of the Town and Country Planning Act 1990.
- 2 To ensure adherence to the approved plans in the interests of a satisfactory form of development.
