Re: Launch of Public Health Outcomes Framework Consultation

Dear Stakeholder,

We wanted to inform you that the formal consultation on the Public Health Outcomes Framework has been published today to the Welsh Government website.

The Welsh Government communications team will be tweeting and encouraging Health Boards to promote the consultation via social media, and Public Health Wales will be issuing a Press Notice encouraging everyone to respond to the consultation. Details will also be posted to the Welsh Local Government Association website, as well as to the Public Health Wales website.

We would encourage you to actively promote the consultation across your various networks to ensure that we maximise our opportunities for engagement.

Consultation events will be held in Cardiff on 12th January, in Llandudno on 18th January, and in Aberystwyth on 19th January.

Details of exact event timings, and how to register, are available at: - www.publichealthwales.org/PHOF and - www.publichealthwales.org/PHOF-registration

We look forward to receiving your responses to the consultation through the following link: <http://gov.wales/consultations/healthsocialcare/outcomes-framework/?lang=en>

Yours sincerely,

Public Health Division, Welsh Government
