

## **Gilwern Bowling Club** **USE IT OR LOSE IT**

Didn't know we had a bowling green in Gilwern – Where is it? A common response when club members talk to people who live in or near Gilwern.

Well we have, **your bowling green** is located in the playing fields beside the car park off **Common Road**.

Started some 21 years ago by a few very committed locals the club, with ladies and men's sections, enjoyed good local support and with the aid of a sportlot grant raised enough to build a new clubhouse.

Sadly due to a decrease in our membership over the past few years the **Gilwern Bowling Club will soon cease to exist unless we can encourage more local people to take an interest**, join the club, and take advantage of this excellent facility provided by **Llanelly Community Council**.

**So unless we as a village can muster some numbers, both young and old, ladies and gents, to join in and USE this hard won facility Gilwern will almost certainly LOSE IT.**

The club year starts in earnest in April through to September (with a few social get togethers in the club house in the closed season) and **practice day is on a Monday**, ladies and men in the afternoon and evening but if enough members get together then they can play more or less whenever the mood takes them.

**To join or for more info call our club secretary Les Flowers on 01873 830291 or just turn up on a Monday and join in you will be made very welcome.**

*We are a community that cannot afford to say like novelist Jack Kerouac "I don't know, I don't care, and it doesn't make any difference!"*

**Or soon all our community facilities will disappear.**
