

App. No: 17/15475/HEDGE

BRECON BEACONS NATIONAL PARK AUTHORITY

The Environment Act 1995 The Hedgerows Regulations 1997

Proposal: Replace existing access gate to enable future refurbishment works. It is proposed that a 4m section of hedgerow is to be removed and temporarily replaced by a 12ft gate and hanging posts. The hedgerow is to be removed in winter 2017, outside of bird nesting season and under an Ecological Clarke of Works; and following completion of the tower works, is to be replanted. it is expected that the hedgerows will be replanted winter 2018. (Hedgerows)

Site Address: Agricultural Field Surrounding Tower 4YU195 Accessed Via Unnamed Lane, Approximately 2km East Of Miners Row., Llanelly Hill, ,

I refer to your notice received 30 October 2017, under regulation 5(1)(a) of the above regulations that you proposed to remove the stretches of hedgerows indicated on the plan attached to your notice.

The Brecon Beacons National Park Authority now gives you notice, under Regulation 5(1)(d) of the said Regulations that the said stretches of hedgerow specified as shown on the attached plan may be removed.

Removal of this line of trees/shrubs should not contravene the 1981 Wildlife and Countryside Act, This removal notice does not give consent or License which may be required by the Forestry Commission for the felling of trees, or by any other Government Authority.

Signed:

National Park Authorised Officer

Date: 12th December 2017

Brecon Beacons National Park Authority
